WORK EXPERIENCE

Data Analyst

June 2023 – June 2023

Blind People's Association | Gujarat, India

- Analyzed 'Self Employment Data' for over **4500 people**, comparing 2021-22 and 2022-23, using skills from the **Google Data Analytics Course**.
- Removed over **50 instances** of repetitive or incorrect data and collected **more than 200 missing data** entries with the assistance of employees.
- Filled gaps using old records, books, and direct calls to individuals over two days.
- Rectified numerous spelling mistakes that caused data duplication, ensuring data accuracy and consistency.
- Developed approximately **20 Pivot Tables and 14 Charts** to clearly represent data trends and comparisons between the two years.
- Improved graph designs to make them clearer and more visually appealing, facilitating easier interpretation of data trends.
- Identified key areas needing improvement based on data trends and provided actionable recommendations to **drive positive change in subsequent years**.

EDUCATION

Nirma University, Institute of Commerce, ICNU- 8.74 CGPA (till now)

July 2022 – Present
